### PROFILE

I am an enthusiastic B.Tech student at Vellore Institute of Technology (Vellore campus) with a Computer Science and Engineering background, with a strong foundation in programming, data structures, and front-end development. I have hands-on experience with languages like C, C++, HTML, and CSS and am passionate about building efficient, scalable, and user-friendly solutions. With a keen interest in emerging technologies such as machine learning, web development, and system design, I aim to contribute to innovative projects and grow as a software engineer.

### CERTIFICATES

- Gen AI using IBM WatsonX
- Industrial Internship at Technology Information, Forecasting and Assessment Council (TIFAC), VITVellore

### SKILLS

Front-end Developer, Back-end Developer

### PROGRAMMING LANGUAGES

C, C++, Python, Java, HTML, CSS, JavaScript, React.js, SQL
